Council voted to approve the annual accounts, annual return, exemption certificate and the current risk assessment. After receiving advice, council also voted that emails received by council that were deemed to be vexatious will be filtered out in future.
- 2. Village hall: a third quote was still outstanding. There was now a Facebook page.
- 3. Highways: the work on the Old Road had been put back until June/July due to lack of money but the cattle grid at Danny Bridge has been cleared. David commented that overgrown trees were causing problems with sight lines. Clerk will write again to Highways.
- 4. Broadband: most properties on route 1 were now live and some progress has been made on route 2, but this should accelerate once B4RN have finished the road crossings.
